DEALER QUALIFICATIONS

Dear Jaybrake applicant,

We at Jaybrake rely on a solid network of approved dealers and distributors to ensure our success. The following requirements assure us that our relationship will be beneficial to everyone.

Qualifications:

Your business must be established in a legitimate commercial area.

You must have a valid business license (Tax I.D. Number) and resellers permit.

The business must be open to the public for regular business hours.

Please Note:

That there is a \$500 minimum initial order for first time dealers

All dealer accounts are setup as a cod accepting money order/cashiers check, visa or master card

Shipping and UPS cod fees will be added to your invoice

All international orders must be paid in full prior to shipment by wire transfer in "US funds only".

International dealers/customers must pay all associated costs - shipping, duties, customs, taxes and any other costs.

Dealer Application Materials:

- A completed dealer application
- A copy of your valid business license (Tax I.D. Number) and resellers permit
- A photo of your building
